Homeschool Grade and Record Book

Grades, records and the number at the end of the year

GRADES WITHOUT THE BUSYWORK

You do not need a grading system. You need a place to write the number down and a fair way to average it. That is all this is.

THE GRADING SCALE

LETTER	PERCENT	WHAT IT MEANS
A	90 to 100	Knows it and can use it without help
B	80 to 89	Knows it, needs a nudge
C	70 to 79	Getting there, needs practice
D	60 to 69	Not yet, teach it again
F	Below 60	Not yet, and we changed the approach

A note on F. A failing grade in a homeschool is information about the teaching, not a verdict on the child. Write what you will change next to it.

HOW TO AVERAGE A YEAR

Add the quarter percentages, divide by four. If you weight by subject hours, multiply each quarter by the hours in that subject and divide by total hours. That is the whole method.

SAMPLE

PLEASE READ THIS PAGE

This is a printable planning document, not professional advice. It is sold as a reference and a record keeping tool. It is not legal, financial, tax, medical, veterinary, engineering, agronomic or safety certification, and it does not replace a licensed professional, your local code official, your county extension office, or the manufacturer of any product you use.

You are responsible for your own decisions. Conditions differ by place, climate, equipment and person. Read the whole document before relying on any figure, date or interval in it, confirm anything that matters against the current official source, and use your own judgment before acting.

Activities for children need an adult present. Several activities involve scissors, small parts, water, heat, food, outdoors, tools or fire. Adults are responsible for choosing what is age appropriate, supervising it, and checking the surroundings and materials first. Nothing here replaces your own judgment about the children in your care. No educational, developmental, behavioral or health result is promised or implied by any page in this pack.

WARRANTY AND LIMIT OF LIABILITY

This document is provided as is, without warranty of any kind, express or implied, including fitness for a particular purpose. If a file is defective or will not open, write to us and we will send a replacement or refund the purchase price in full. That refund is the limit of our obligation and our liability, and we are not liable for indirect or incidental or consequential damages. These terms are governed by the law of the State of Arkansas.
