Moving Countdown

Eight weeks, counted back from the day

EIGHT WEEKS, COUNTED BACK FROM THE DAY

Write the move date once. Everything below is counted backwards from it, so the panic stays in one column instead of spreading across the last weekend.

Move date _____ **From** _____ **To** _____

WEEKS OUT	WHAT HAS TO BE TRUE	DONE
8	Moving company or truck booked, or friends confirmed in writing	
7	Declutter: one room a day, sell or donate the pile

PLEASE READ THIS PAGE

This is a printable planning document, not professional advice. It is sold as a reference and a record keeping tool. It is not legal, financial, tax, medical, veterinary, engineering, agronomic or safety certification, and it does not replace a licensed professional, your local code official, your county extension office, or the manufacturer of any product you use.

You are responsible for your own decisions. Conditions differ by place, climate, equipment and person. Read the whole document before relying on any figure, date or interval in it, confirm anything that matters against the current official source, and use your own judgment before acting.

Not financial, tax, legal or accounting advice. Prices, rates, markups, margins, budgets and cost figures are examples and arithmetic, not recommendations. Tax rules, deduction limits and mileage rates change; confirm them with the current IRS publication or your accountant. Pricing and spending decisions, and their consequences, are yours.

WARRANTY AND LIMIT OF LIABILITY

This document is provided as is, without warranty of any kind, express or implied, including fitness for a particular purpose. If a file is defective or will not open, write to us and we will send a replacement or refund the purchase price in full. That refund is the limit of our obligation and our liability, and we are not liable for indirect or incidental or consequential damages. These terms are governed by the law of the State of Arkansas.
