Cryptozoologist Field Journal

Record it, do not claim it. The discipline of documentation.

SIGHTING REPORT

A report is worth what its details are worth. Distance, duration and light are the three answers that separate a sighting from a story.

Date and exact time	
County, state, nearest town	
Coordinates or best description	
Weather, wind, temperature	
Light: sun, dusk, dark, artificial	
Distance to subject, estimated how	
Duration of sighting	
Number of witnesses, and were they together	

WHAT WAS SEEN	YOUR ANSWER
Overall size against a known object	
Build, posture, how it stood or moved	
Colour and texture	
Head, face, eyes	
Limbs, tail, wings	
Gait or motion	
Sound it made, spelled as heard	
Smell	
Reaction to you

This is a printable planning document, not professional advice. It is sold as a reference and a record keeping tool. It is not legal, financial, tax, medical, veterinary, engineering, agronomic or safety certification, and it does not replace a licensed professional, your local code official, your county extension office, or the manufacturer of any product you use.

You are responsible for your own decisions. Conditions differ by place, climate, equipment and person. Read the whole document before relying on any figure, date or interval in it, confirm anything that matters against the current official source, and use your own judgment before acting.

WARRANTY AND LIMIT OF LIABILITY

This document is provided as is, without warranty of any kind, express or implied, including fitness for a particular purpose. If a file is defective or will not open, write to us and we will send a replacement or refund the purchase price in full. That refund is the limit of our obligation and our liability, and we are not liable for indirect or incidental or consequential damages. These terms are governed by the law of the State of Arkansas.
